Learn Web Design @ CentrePeace

Learning website design can be useful, and great fun! But it can be difficult and expensive, too.

Join us at CentrePeace in August, and we will teach you how to code a modern website - without requiring expensive software!

Cost includes tea/coffee/biscuits, plus a light lunch.

For pre-booking
(local residents):
£5 per day

All other attendees:
£20 per day

22nd-23rd August 2014

10:00-16:00
(both days)

What you will learn...

HTML
(structural)

CSS
(styling)

**Advanced
Coding
Techniques**
